ROPES COURSE SAFETY:

Rope Runners utilise the revolutionary Klipa safety system which removes the risks associated with traditional clip on/clip off systems. Sturdy shoes, trainers or boots must be worn for all activities. Check out our FAQ's online for session advice. We have an inclusive policy for disabled clients however please contact us to discuss before visiting. The management reserves the right to cancel activities in the event of adverse weather conditions (high winds/storm risk etc). A full or partial refund or credit voucher may be offered if this is necessary.

The management reserves the right to refuse admission without reason or notice.
