## Classic Wings

Classic Wings is a unique family-run business and 2011 celebrates our 21st year of operating our aircraft at Duxford. We restore and maintain our own aircraft with dedicated attention to detail and our pilots are some of the most experienced in the country. The Dragon Rapide is one of the best loved pre-war aircraft and one of the first commercial airliners. Ours are two of the very few still flying. Meticulously restored to comply with modern regulations, they seat eight passengers in a style few air travellers can remember – the last word in civilised sightseeing.
