DISCOVER MICKLEGATE BAR MUSEUM

From the creators of JORVIK Viking Centre, Micklegate Bar Museum is situated on the route of York's famous walls, which have stood sentinel to the city for over 800 years. Visit the ancient gateway to explore the pageantry and barbaric history that has unfolded between these walls through the centuries.

Learn how the Ring of Stone, the city's walls, has helped to protect York from invasion, and its lasting effect on the development of the city over the centuries.

EXPLORE LIFE IN THE BAR

Micklegate Bar was not only a gateway to the city but also a home to many families until 1918. The stories of residents are brought alive in this fascinating exhibition, giving you a real sense of what it was like to live in this historic building.

However, it was not just the living that occupied Micklegate Bar; the heads of traitors and tyrants from across York's history were displayed here after execution for all of York to see.

DON'T FORGET!
