

Sherwood Forest Art & Craft Centre lies in the heart of ancient Sherwood Forest, in the village of Edwinstowe. Situated in the beautifully converted coach house and stables of the former Edwinstowe Hall, the Craft Centre is just a few minutes walk from the famous Major Oak, reputed home of Robin Hood.

Sherwood Forest Art & Craft Centre has all the facilities that you need in one compact location. The centre is family friendly with baby changing facilities as well as being accessible for prams and pushchairs. The Centre also caters for those with disabilities with access to all studios.
