

Introduction

Sterchi's have been producing high quality unique produce since 1919.

The company was first created by Mr Sterchi who was born in Arosa, Switzerland and came to Filey before the first world war.

All the products are made on the premises and are based on the original recipes/methods with new ideas introduced to broaden the range to keep in with modern tastes.

Within the Chocolatiers the individual chocolates are moulded using traditional methods and are individually hand dipped so no two chocolates are the same.

There is a wide range of products for that extra special gift or as a perfect treat for yourself.

**Sterchi's is different and first class,
A chocoholics delight!**

Sterchi's is situated in the picturesque seaside holiday resort of Filey on the Yorkshire Coast located between Scarborough & Bridlington.
